MÖHRLE SILBER GERMANY
SINCE 1895

Our Manufaktur collection offers you high-quality silver cutlery, manufactured in 925 sterling silver or silver-plated with a 30-micron silver coating, in timeless elegance and perfect quality.

You have the choice: cutlery sets and cutlery sets, individual pieces, serving and serving pieces as well as children's cutlery in sterling silver or silver-plated.

We will be happy to engrave your MÖHRLE SILVER cutlery with a monogram or family crest or customise it according to your wishes and ideas.

The partial and full gold plating of the real silver cutlery with 4 microns is surface-hardened and manufactured with the utmost care. We recommend cleaning by hand.

Use your silver cutlery for every occasion, it is elegant and decorative, durable and the more often you use it, the less it tarnishes.

Other advantages include special heat conduction (hot stays hot, cold stays cold), a high antibacterial effect and durability. You will enjoy your silver cutlery for a lifetime and can pass it on.

The prices refer to a five-piece set. Our complete price list for sets of various sizes, individual items and serving sets is available on request.

1. Swing

Bauhaus, a style reduced to the essentials, is the most successful design at the beginning of the 20th century. Our Swing silver cutlery reflects the modern, avant-garde trends in the truest sense: smooth surfaces without decoration, perfect silver lustre, minimalist chic and glamour. Its slender, round shapes create a perfect harmony with the teardrop-shaped handles.
